

Hydraulic pumps

P1000

Properties:

- ✓ hydraulic pressure: Working range 0-63 (70) MPa, adjustable
- ✓ hydraulic flow: Low pressure (up to 1.5 MPa) approx. 0.8 l/min, High pressure (more than 1,5 MPa) 0.2 l/min
- ✓ oil volume 2 l (usable 1,8 l)
- ✓ oil hydraulic oil ISOVG32
- ✓ mains connection 230 V AC 50/60 Hz
- ✓ allowable voltage fluctuation: Rated voltage $\pm 5\%$
- ✓ electric motor 0.25 kW, Class E insulation, open type commutated motor 230 V, 50/60 Hz single-phase, Max. current: 2.8 A (5 min.)
- ✓ protection class IP20
- ✓ environment temperatures 0 – 40°C
- ✓ CE-approved: Machine safety 98/37/CE, LVD 73/23/EEC
- ✓ hydraulic hose 2.4 m, quick coupling, manoeuvre handle 12 V AC
- ✓ mains cord 1.5 m earth plug
- ✓ Can be used with all Elpress crimp heads

Item number: **5204-009300**

EAN: **7393487064249**

Working temperature, Max (°C): **40**

ELPRESS
