

RPL5548

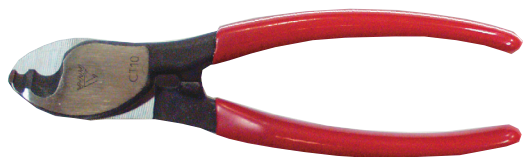

- assortment box with system solution

RPL5548

RPL5548 is a complete assortment box for electricians who like to keep things neat and tidy. A system solution for keeping high quality tools and end sleeves that are used daily.

The box is made of unbreakable plastic with polypropylene walls and polycarbonate lid. Practical and securely designed to be stackable with removable inserts, perfect for easy refilling of terminals. Handle and closing device are fully integrated into the design, making it very easy to handle. In the box there are 1550 end sleeves 0.14-10 mm², crimping tool PEB0110T and stripping tool CT10.

Stripping tool CT10, strips up to about Ø 10 mm

PEB0110T, crimping area 0.14-10 mm², front and side feed
