the quality of your connection*

ELPRESS®

PREVENTIVE MAINTENANCE AGREEMENT

Elpress Service offer a flexible solution for enhanced security, with rapid service and high availability:

- Planned and preventive maintenance guarantees better performance for your equipment.
- Regular service intervals minimise the risk of unforeseen stoppages by indicating any safety or functional defects and by recommending measures to avoid such problems.
- Regular service intervals are normally implemented every 12 months at a fixed price.
- The price is based on the service level solution and tool equipment.
- A certificate is issued after the equipment has complied with calibration requirements.
- As a contract customer, you always get a 10% discount on regular spare parts prices
- When forming a queue at our service department, you as a contract customer are always a priority

Elpress service agreements are arranged per product, tool and service level:

Elpress Basic - preventive maintenance

- General inspection of the tool
- Function test
- Calibration and issue of Certificate

Elpress Advance - corrective maintenance

- General inspection of the tool
- Function test
- Calibration and issue of Certificate
- Oil change and piston seal change

Purchased a new product? Send the Product Registration form to us and Elpress Basic includes free of charge the first year (+1 year warranty applies for: PVX1300, PVX611, PVL130S, PVL130P, PVL130L, PVL350).

General terms and conditions:

The Service Agreement is valid from and including the date it is signed by the customer and runs for 1 (one) year, with an automatic extension at the end of every agreement period.

An unsigned agreement is valid for 1 (one) month from the date of issue.

Orgalime item 30 is applicable for the term of the agreement, extension and notice, unless otherwise stated.

ELPRESS®

We have been developing, manufacturing and marketing complete crimping systems for electrical connectors since 1959.
